### RESEARCH ACTIVITY

- 2023-now Tenure-track assistant professor (RTDb),  
University of Udine
- 2022-23 Assistant professor (RTDa), University of  
Udine
- 2021-22 Post Doc, University of Udine, on projects  
related to saline flooded soils
- Research fellowship based on the award For  
Women in Science l'Oréal-Unesco,  
University of Udine, on the topic of the  
common reed die-back
- Team member within the Horizon2020  
project PULCHRA - Science in the city  
(H2020-SWAF-2018-2-GA), University of  
Udine
- 2019-21 Marie Skłodowska-Curie actions - Individual  
Fellowship (H2020-MSCA-IF-839542),  
University of Copenhagen, Denmark
- 2018-19 Post Doc, University of Udine, on the topic of  
plant-soil interactions in hydromorphic  
soils
- 2017 Monitoring and updating of the checklist of  
exotic plants in FVG, Friulian Museum of  
Natural History of Udine and FVG Region

### RESEARCH KEYWORDS

Soil Science, Flooding, Salt stress, Oxygen dynamics,  
Soil Biochemistry, Plant-Soil interactions, Sulfides,  
Applied Botany, Heavy metals, Wetlands

### EDUCATION

- 2017 PhD in Environmental and Life Sciences,  
University of Trieste and Udine (inter-  
university)
- 2013 Master degree in Environmental Sciences,  
University of Trieste and Udine (inter-  
university)
- 2009 Bachelor degree in Environmental Sciences,  
University of Udine

### AWARDS AND RECOGNITIONS

- 2022-now PNRR fund for young reserachers (Mission 4,  
Component 2, Investment 1.2, Notice 247 in 2022)
- 2022 *RADIATE-Twinning program* funding for the access to  
European beamline facilities, at the Jožef Stefan  
Institute, Ljubljana, Slovenia
- 2021 National award *For Women in Science l'Oréal-Unesco*
- 2019 Marie Skłodowska-Curie actions - Individual  
Fellowship (H2020-MSCA-IF-839542)

### SERVICES

- 2022-now Expert panel member - European Commission,  
for MSCA-PF proposals
- 2022-23 Guest researcher at the department of Biology of  
the University of Copenhagen, Denmark
- 2023-now Member of SICA - Italian society of Agricultural  
Chemistry
- 2021 Guest editor for the open access journal *Plants* (IF  
3.935)
- 2017-now Reviewer for several international peer-reviewed  
journals

### PAPERS AND CONGRESSES

37 papers among which 34 peer-review papers, 2 technical  
reports and 2 informative book chapters. Speaker at several  
congresses and workshops, 3 of them as invited speaker.

### TEACHING

- 2022-now Teacher of the course "Soil chemistry and  
Pedology", University of Udine (6 CTS)
- 2022 Part of the teaching staff of the multidisciplinary  
"Basic course on sustainable development",  
held online, University of Udine (2 CTS)
- 2021-23 Part of the teaching staff of the multidisciplinary  
course "Freshwater ecology", University of  
Copenhagen (7.5 CTS)
- 2022-now Supervisor of 2 bachelor theses
- 2014-now Co-supervisor of 2 PhD theses and several  
bachelor and master theses
