

Elisa Pellegrini, PhD

Dept. of Food, Agricultural, Environmental and Animal Sciences, University of Udine, via delle Scienze 206, 33100 Udine, Italy elisa.pellegrini@uniud.it +39 0432558667

Team of Environmental Soil Functionality: https://soil.uniud.it

RESEARCH ACTIVITY

- 2023-now Tenure-track assistant professor (RTDb), University of Udine
- 2022-23 Assistant professor (RTDa), University of Udine
- 2021-22 Post Doc, University of Udine, on projects related to saline flooded soils

Research fellowship - award For Women in Science l'Oréal-Unesco, University of Udine, on the topic of the common reed die-back

Team member within the Horizon2020 project PULCHRA - Science in the city (H2020-SWAF-2018-2-GA), University of Udine

- 2019-21 Marie Skłodowska-Curie actions Individual Fellowship (H2020-MSCA-IF-839542), University of Copenhagen, Denmark
- 2018-19 Post Doc, University of Udine, on the topic of plant-soil interactions in hydromorphic soils
- 2017 Monitoring and updating of the checklist of exotic plants in FVG, Friulian Museum of Natural History of Udine and FVG Region

RESEARCH KEYWORDS

Soil Science, Flooding, Salt stress, Oxygen dynamics, Soil Biochemistry, Soil Organic Matter, Plant-Soil interactions, Sulfides, Applied Botany, Heavy metals, Wetlands

EDUCATION

- 2017 PhD in Environmental and Life Sciences, University of Trieste and Udine (interuniversity)
- 2013 Master's degree in Environmental Sciences, University of Trieste and Udine (interuniversity)
- 2009 Bachelor's degree in Environmental Sciences, University of Udine

LAB TECHNIQUES

Microsensors for gases, pH and redox; planar optodes for O₂ and pH, DET/DGT for nutrients and metal(loid)s

AWARDS AND RECOGNITIONS

- 2022-now National PNRR fund for young researchers (Mission 4, Component 2, Investment 1.2, Notice 247 in 2022)
- 2022 RADIATE-Twinning program funding for the access to European beamline facilities, at the Jožef Stefan Institute, Ljubljana, Slovenia
- 2021 National award For Women in Science l'Oréal-Unesco
- 2019 *Marie Skłodowska-Curie actions Individual Fellowship* (H2020-MSCA-IF-839542)

SERVICES

- 2022, 24 Expert panel member European Commission, for MSCA-PF proposals
- 2022-23 Guest researcher at the department of Biology of the University of Copenhagen, Denmark
- 2023-now Member of SICA Italian society of Agricultural Chemistry
- Guest editor for the open access journal Plants (IF 3.935)
- 2017-now Reviewer for several peer-reviewed journals

PAPERS AND CONGRESSES

45 contributions among which 41 peer-review papers, 2 technical reports and 2 informative book chapters. Speaker at several congresses and workshops, 4 of them as invited speaker.

TEACHING

- 2024-now Teacher in "Chemistry and Biochemistry of Pollutants", University of Udine (6 ECTS)
- 2022-now Teacher in "Environmental Soil Functionality", University of Udine (6 ECTS)
- Part of the teaching staff of the multidisciplinary "Basic course on sustainable development",

held online, University of Udine (2 ECTS)

- 2021-23 Part of the teaching staff of the multidisciplinary course "Freshwater ecology", University of Copenhagen (7.5 ECTS)
- 2022-now Supervisor of several bachelor theses
- 2014-now Co-supervisor of 3 PhD theses and several bachelor and master theses
